

School Governors' Visit

Our school governors came to spend the day in school on Wednesday. They spent their time finding out about how our school works and looking at how well staff help the pupils to learn. They visited lessons in every year group. They had a chance to talk to the pupils about their learning and to talk to staff about how they help the children to learn. They also joined in oracy discussion groups with Year 6 children. Then they spent some time discussing all they had seen throughout the day.

They were very impressed with the way our pupils work in classes, with their excellent behaviour and with the really good work they do in their books. They were also very impressed the way pupils are developing their oracy skills in lessons and how they use this to help their thinking and learning.

The governors were also very impressed with how the adults in school work very hard to help pupils do so well in their learning.

They asked their thanks and congratulations are passed on to all the children and staff for their hard work and great achievements.

School Meal Prices

We are pleased to let you know that we have been informed by the Local Authority that school meal prices are being reduced from £2.35 to £2.13 a day.

The start date for the change in price will be back-dated to the 16th April 2018.

Therefore, from the beginning of this term (16th April), the cost of a school dinner will be £2.13.

Ms Grant has adjusted each child's account to deduct 22p per day from any payments made for school dinners from the 16th April 2018 and all arrears will be credited to the account.

Where there is money owing on an account, this money will be taken off any outstanding debt.

If your account is up to date (you have paid the full amount on time each week or in advance), please see Ms Grant in the school office. She will inform you of how much your account is in credit so that you can make the appropriate adjustment to your next payment.

We ask all those with any outstanding debt to pay the money you owe to the school.

Your child will not be able to alternate between school dinner and packed lunch in any one week., e.g. having packed lunch from Monday to Thursday and then having school dinner on Friday. You must decide whether your child is on school dinners for the entire week or packed lunches for the entire week.

Hockey

Congratulations to your Year 6 Hockey team for representing Camden at the London School Games. Having previously won the Camden A and B competitions they competed against teams from Richmond, Kensington and Chelsea and Barking at the London Games arena in Crystal Palace.

Best Attendance for last week

Key Stage 1: 2 Willow 100%

Key Stage 2: 5 Birch 100%

5 Linden 100%

School Council News

School Councillors have been working very hard completing online learning modules to become Digital Leaders. They have presented what they learned in each module to their classes.

They have talked to their peers about key issues such as cyber bullying, being a good friend online and how to identify reliable information on the internet.

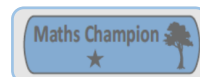

They have almost finished their course. Keep up the good work!
