## Football

Congratulations to the boys from Year 5 and Year 6 who took part in a friendly competition at Talacre Sports Centre. Our team performed very well, losing just one of their six matches against other Camden Schools.

## Year 1

- A part of their topic on Pirates, the children in Year 1 have been learning all about oceans. The children worked together as true geographers and independently used an atlas in order to name and locate the world's five oceans and its seven continents.

## Year 5

Last week, as part of their 'Earth and Space' topic, Year 5 visited the amazing Science Museum. There were some brilliant interactive exhibits about space travel and our Solar System. The children got to see, close up, the actual size of things like the Lunar Module as well as interesting displays of real astronaut food and spacesuits. The highlight of the day was the IMAX documentary about the Earth's place in our galaxy and the 'zero gravity' life on board the International Space Station, which is still hurtling around our orbit at 27,000 km/h!

## Year 3

### Trip to the Natural History Museum

Last week Year 3 visited the Natural History Museum. They visited the Volcanoes and Earthquakes exhibition which had lots of exciting things in it including volcanic rocks and a heat

suit that could withstand temperatures of 1000 degrees Celsius. There was even an earthquake simulator where the children could experience what it feels

like to be in a real earthquake! In the afternoon, the children attended an interactive show where they got to use a seismometer, create a miniature earthquake and watch a model volcano erupt. It was an exciting trip that has provoked lots of new

questions to investigate in our Topic lessons.

## Flute and Cello Workshop

The children in Year 1 welcomed a visit from flautist Susanna Bailey and cellist Timothée Botbol, courtesy of the Musicians' Company. They enjoyed listening to

the instruments and they participated in fun musical games, including 'Battle of the instruments'. The children asked Susanna and Timothée lots of questions about the flute and cello and were interested to find out about their lives as professional musicians.

## Online Safety

Thank you to all the parents and guardians who attended the online safety workshop this week. The session focused on this year's Internet Safer Day theme: "Consent in the Digital World". At the workshop, parents and guardians had an opportunity to hear more about how the school equips pupils to make sensible choices and keep themselves safe when they are online. They were also able to share their experiences, ask questions and take home a copy of the school online safety leaflet.
