Reception Visit the City Farm

This week both Reception classes visited the Kentish Town City Farm. They listened to the story of the Little Red Hen and learnt all about how wheat is ground into flour to make bread. While they were there they got a chance to meet some of the animals that live on a farm and found out the names of baby animals.

A highlight of the day was getting a chance to meet some of the animals up close. Thank you to Daniel and Chris and everyone at Kentish Town City Farm for making our day so interesting.

Year 1

One Elm consolidated their science learning on floating, sinking and waterproof materials by participating in a pirate ship investigation. The children used materials such as wood, plastic, paper and playdough to work out the most suitable material to make a pirate ship! They worked in teams to build their boats and then tested them out on water, recording their observations.

Year 3 Young Readers Programme

This year our school has been involved in the National Literacy Trust's 'Young Readers Programme'. Over the year all the children in Year 3 will receive three high quality books to take home and keep. Today the children received their second book which was a non-fiction, information book related to their interests. There were books about animals, space, history and science. We were delighted that so many of our parents and guardians were able to join us to read and share

these books. We really hope you all continue to enjoy these special books at home and we are looking forward to the final event later in the Summer term.

Certificates of Achievement

Well done to our most recent certificate winners who were nominated for achieving well in their learning or behaviour. These children will be presented with their certificates in assembly:

Year 1: Naisr Mohamed; Zarah Ahmed; Bushra Hassan; Sajidur Rahman; Jessica Fergusson; Adam Ali

Key Stage Two Swimming Gala

Congratulations to the 28 pupils from Years 3, 4, 5 and 6 who took part in The Camden Schools Sports Association Swimming Gala at Swiss Cottage

Pool. The children took part in races against 14 other Camden Schools. All of the squad performed well, showing great effort and displaying outstanding sportsmanship. Well done to everyone in the team!

Maths Champions

Congratulations to the following children who have been awarded their Maths Champion Badges:

Two Star Badge:
Adam Sadik

Five Star Badges:
Ameer Fennane
Sai Bhardwaj

Please remember Monday 6th May is a bank holiday. Children are due back in school at 8:55 am on Tuesday 7th May.

The following Monday, Monday 13th May, sees the start of the Year 6 SATs testing week. The children in Year 6 have worked incredibly hard this year and we would like to wish everyone the very best of luck! We know you will do yourselves proud!
