RICHARD COBDEN  
PRIMARY SCHOOL

Our Parents' Association  
Summer Fair will take place on  
**Tuesday 25<sup>th</sup> June at 3.30pm.**

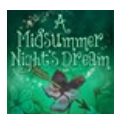

On Tuesday the children are invited to wear their own clothes to school and we are asking for a voluntary contribution of £1.00 to do so. All proceeds will be added to the Summer Fair takings and will help our fund-raising effort.

Please pick your children up from the usual place in the Key Stage One playground at home time on Tuesday. You will then be directed by members of staff to the Summer Fair, which is taking place in the Year Two and Three playground.

Please could all food donations be brought to the Learning Centre by 2.00pm on the day of the Fair. We will not be able to accept any food brought to us the day before. All gift donations are currently being collected and these can be made up until Monday 24<sup>th</sup> June.

Thank you all for your support and we look forward to seeing you at the fair on Tuesday!

## Year 1

One Elm have been immersing themselves in their new Shakespeare play - A Midsummer Night's Dream. The children are really enjoying using drama techniques such as role play, hot seating and puppets to get to know and empathise with the characters from the story. They are working hard to think of how the characters are feeling and offering them advice for their dilemma's.

## Year 5 and 6

### Football Competition at Parliament Hill Fields

Well done to our boys and girls football teams who took part the Camden Football competition at Coram's Fields. The girls finished 4th in their group with a win, a draw and two defeats. The boys finished 3rd with two wins and two defeats. Both teams played very well and there were some outstanding individual performances, particularly from Aria who played brilliantly in goal and Koorosh who was our top scorer with 3 goals. Congratulations to all those who took part.

## Year 2

Year 2 have had an exciting time working on a gardening project linked to their Summer topic 'Into the Garden'. They are working with an education and environmental charity, Global Generation, to redesign our roof garden space. Last week they visited the 'Skip Garden' at Kings Cross to get ideas and to see how an urban environment can be transformed into an inviting space for nature and wildlife.
