Year 4 Benchball

Our A team came fourth and our B team finished 5th in the Camden Benchball cup at Talacre Sports Centre.

Aisha, Jeriah, Nadir and Lilia received medals for their outstanding efforts. Well done to all of the 15 players who took part.

Violin and Recorder Concerts

Year 4 and 5 were excited to perform in their Autumn Concerts for family and friends this week. The children have been learning to play the violin or the recorder in class music lessons as part of the Wider Opportunities Programme. They enjoyed performing for an audience as a big band and the concert was a

great opportunity for the children to demonstrate the impressive instrumental and musicianship skills they been developing this term.

Year 3 Trip to Leighton House

On Tuesday Year 3 visited Leighton House Museum in Holland Park. In this beautiful house filled with classical artwork, the children took part in three workshops themed around Ancient Roman and Greek myths. These workshops involved storytelling, art and rap; the children even learned some Latin words! Everyone enjoyed getting a flavour of the ancient world and were extremely impressed by the amazing artwork on display in Leighton House. Further excitement was provided by a peacock visiting them whilst they had their lunch in Holland Park!

Football

Our Year 5 and 6 football teams played their final matches in the Regent High League. Our girls beat Christchurch 1-0, drew 0-0 with Our Lady's and beat St Michael's 2-0. Yasmin scored the goals for our team. Zaid and Ayoub scored the goals for our boys as they beat Christchurch 3-0, lost to Our Lady's 1-0 and beat St Michael's 4-1. Both teams are currently second in their leagues.

3 Rowan's Human Bodies Assembly

3 Rowan performed their assembly to show all they have been learning about the human body. The children put on an entertaining performance of 'The Human Body's Got Talent' - a talent show in which body parts such as skeletons, muscles, the digestive system, the heart and the brain all compete to decide which is the best body part ever. In the show, the body parts ended up deciding that no part is better than another and all of them must work together as a team. 3 Rowan did a fantastic job of exemplifying this, as they showed brilliant teamwork throughout the rehearsals and performance. Thank you to all the parents and guardians who came, and for helping with learning lines and
