Dear Parent/Guardian,

RE: School Closure Update

I hope you are all keeping well and managing to follow the government instructions regarding staying at home and away from others.

There are no changes to school closure actions other than the provision of food packages for children who are registered as entitled to free school meals. This does not mean all children who get a free school meal due to being in Reception, Year 1 and Year 2. It means just those who have applied for free school meals and have been accepted by the Local Authority.

We sent a text out this afternoon informing free school meals parents that they can collect their food package from the school on Friday 27th March 2020. If you have free school meals entitlement, please come to school at the following times:

- Families whose eldest sibling is in Year 6, 5 or 4 should come at 1.30pm
- Families whose eldest sibling is in Year 3, 2, 1 Reception or Nursery come at 2.30pm
- No admittance after 3.15pm.

For example, if in your family, you have children in Year 5, Year 4 and Year 1 – you should come at the Year 5 time of 1.30pm. If you have children in Year 3, Reception and Nursery, you should come at 2.30pm. As you collect your eldest child's package you will be given the food packages for your other children at the same time.

Please do not arrive before your allocated time and keep a 2 metre distance between you and the person in front. Any children that have to come with you **MUST** be kept by your side and not permitted to run around.

Please also bring large bags to carry the food home. The package consists of the following:

Item	Pack size	10 day supply number of items needed
Baked Beans	415g	1
Biscuits/Digestives	300g	1
Tinned Fruit - peaches	822g	1
Cornflakes	500g	1

Tinned Soup - Tomato	400g	1
UHT Milk	1 Litre	1

We will let you know of any further food package deliveries and collection arrangements via the website.

Yours sincerely,

Kathy Bannon
