PRIMARY SCHOOL

## Happy Easter!

We would like to wish all our families celebrating Easter this holiday a blessed and peaceful celebration.

We wish *everybody* a lovely holiday and we look forward to seeing you all again on Tuesday 20th April 2021.

## Year 3 — On Dangerous Ground

Our Year 3 classes have been learning all about volcanoes. They enjoyed making their own models using papier mâché and painting them to look as dramatic as the real thing.

## Science Champion

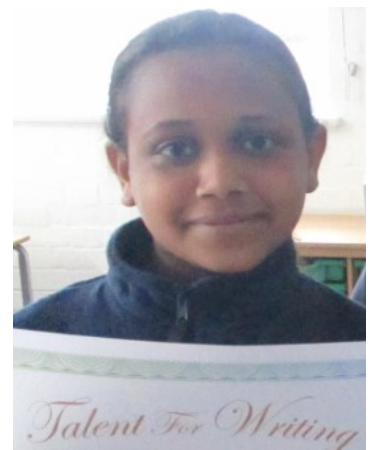

We were incredibly proud to learn that Yusuf Muhid in Year 2 had been announced the winner of the Forest School and University College School Science Week Competition which took place during lockdown.

The challenge was to build a vehicle powered by air. With creativity, determination and perseverance, he created a moving vehicle powered by nothing more than air! We are extremely impressed that he was able to create something so fantastic and we are delighted that he was announced the winner. Huge congratulations, Yusuf!

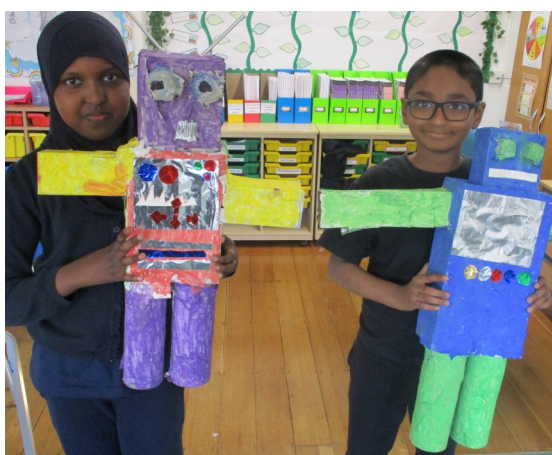

## Year 6 Writing Talent

Year 6 took part in the Young Writers "Wander in the Woods" competition. They rose to the challenge of writing a story in 100 words and did so well that the whole class's efforts have been selected for publication in an edition of the Young Writers book. They are so proud of their work and have certificates to show their families. Congratulations, Year 6.

## Year 4 – Robot Invasion

This half term, Year 4's topic was 'Rise of the Robots' so what better way to end the term than by making their very own robots? The children began by designing and sketching their models, before forming the structures using junk modelling items and masking tape. They then added papier mâché, paint and shiny coloured paper for some finishing touches. Year 4 thoroughly enjoyed making their robots and they impressed their teachers with their creativity and perseverance.

## Congratulations!

Our congratulations go to Mawadda Jebari, in Year 6, who was awarded a certificate for completing two years of

Saturday Club at The Hall School. Mawadda was commended for the wonderful progress she made in Public Speaking, Mathematics and Science and for the commitment and resilience she showed throughout the programme.

Well done on your achievement, Mawadda!

## Term Dates

THIS IS CLEARLY NOT A SENSIBLE TIME TO BE ORGANISING HOLIDAYS. HOWEVER, WE REMIND YOU THAT HOLIDAY LEAVE DURING TERM TIME WILL NOT BE GRANTED.

### SPRING TERM 2021

**Last Day of Term** Thursday 1st April
