Year 4 - The Return of the Robots

In the last newsletter, Year 4 were busy constructing robots. They used boxes and other recycled containers and became very skilled at joining the different materials.

Here are just a few of the finished products.

Each robot has its own character. The painting and features look very effective. The children cannot wait to take them home.

Year 2—Future Tennis Champions

Year 2 have been enjoying their tennis practice in PE this week. They demonstrated some excellent ball control and racket skills; practising keeping a ball in the air, hand-eye coordination and perfecting their racket grip. We hope that some will go on to play for the school team. Next stop—Wimbledon!

Year 1: A Royal Tribute

Year One have been exploring the life of Queen Elizabeth II as part of their topic, 'Kings, Queens and Castles'. They had great fun making a timeline of her incredible life. They also made birthday cards to celebrate Her Majesty's 95th

3 Rowan: Gardeners' World!

Year 3 have been learning all about plants this term. Rowan class made some observational sketches of flowers and plants. They also planted seeds. They are growing radishes and hope to include eating them in a celebration of their efforts.

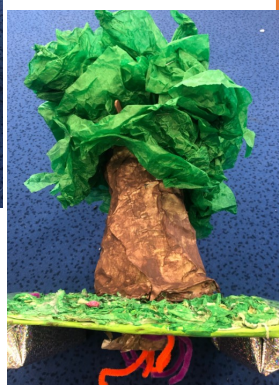

3 Hazel: Creative Homework

Year 3 stepped up to the challenge of creating a 3D model relating to their topic on Plants. They were very inventive in using a wide range of materials.

Here are just a few examples of the impressive work, which they did for their homework project.
