SPORTS WEEK SPECIAL

The children had a marvellous time this week in their Sports Day events. Each year group bubble competed in a combination of races, the vortex throw, vertical jumps and long jump. Every team won extra points for supporting each other and everyone showed great sportsmanship and reciprocity, regardless of which team they were in! Many children won medals and a great time was had by all! A huge thank you to Mr MacGibbon and Mr Norris for organising such wonderful events.

FUTURE SPORTS CHAMPIONS!

Year 4: Digestive System demonstration

Year 4 demonstrated how the digestive system breaks down and uses the food we eat. They used a pair of tights, a sandwich bag, a banana and some biscuits. Adding a dash of stomach acid (that's orange squash), they were able to show how the food travels through the oesophagus, into the stomach and beyond. They had a great time simulating the process of digestion and made quite a lot of mess!

A New Game for Online Safety

Cyber Aware is the government's website for advice on cyber safety. They have introduced a new game called Cyber Sprinters. This is a new interactive game from the National Cyber Se-

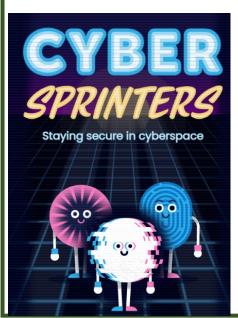

curity Centre.

The game is free and it can be played on iPads or Chromebooks. There is also a link to information and tips about how to improve your online security, from creating secure passwords to backing your data and updating devices.

Play the game here:

Best Attendance for last week:

EYFS/KS 1 Nursery Laurel, Reception

Ash and 1 Beech 99%

Located in Belsize Park, near the tube station, is the building of WAC ARTS. They have summer projects ranging from dance and filmmaking to creative writing and audio production. They have programs for all ages from 5-18 years, as well as programs specifically for young people with SEN.

Each program runs for a whole week, between 10am and 3.30pm during the summer holidays. For more information, please see their website:

https://www.wacarts.co.uk/what-we-do/holiday-programmes
