

Basketball Champions!

Congratulations to our Year 5 and 6 Basketball squad who performed brilliantly in two competitions at Talacre Sports Centre. We entered a total of 8 teams, with every team finishing in medal positions. In the first tournament our Boys' A team were awarded the Camden Schools Sports Association perpetual shield for winning the competition. Our Girls' A team finished 3rd. The combined placings mean that Richard Cobden have qualified to represent Camden in the London Youth Games!

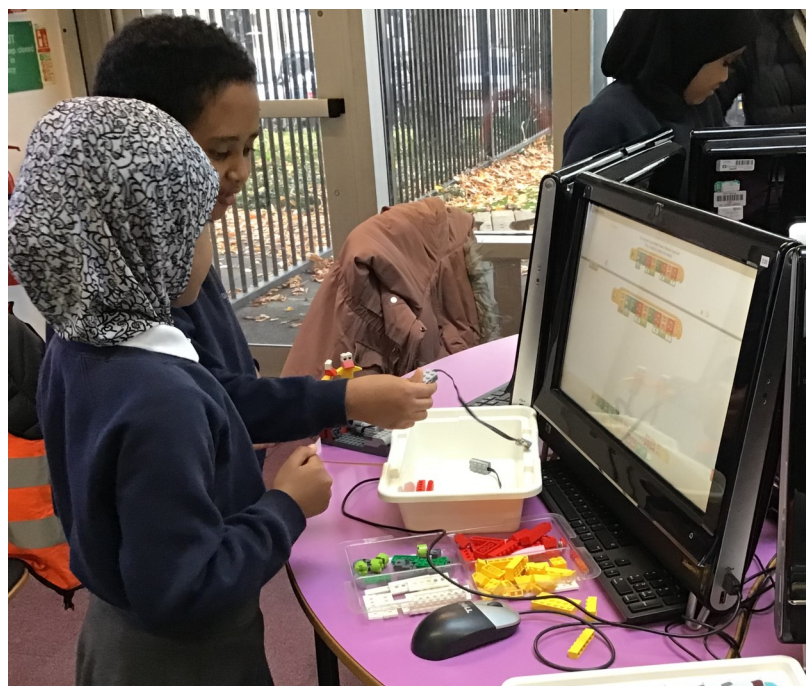

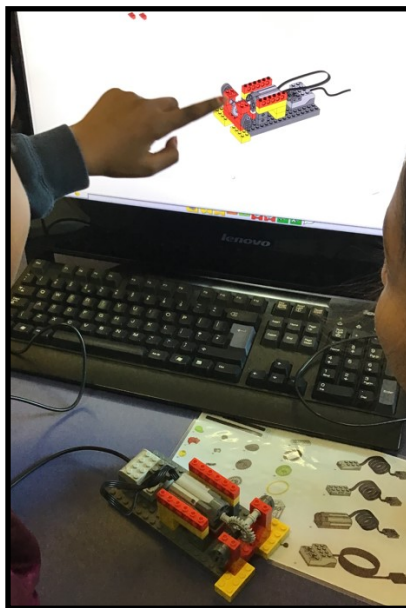

In the B team competition, the boys finished as runners up and the girls finished in 3rd place. We returned to Talacre the next day with 4 separate teams. All 4 teams were awarded medals for finishing in 3rd place.

Well done to all of our players!

CLC Visits: Year 3 and 4

Class visits to the Camden City Learning Centre are taking place this half term. Each class have had two sessions. They have been enjoying sessions including coding, animation and film-making and robotics. For the younger children, there have been sessions all about noticing the different types of technology that we see all around us.

As an introduction to mechanical engineering, Years 3 and 4 enjoyed building Lego models of dancing birds. Using Lego WeDo, they programmed a sequence of movements and added sound.

Year 4: Meet the Romans

Year 4 have been learning about what life was like for a Roman legionary. The class thought they would enjoy the physical training, sleeping in a tent and even marching for days at a time. However, they did not like the thought of carrying 20kg of kit, including a gladius, a scutum, two javelins and a cassis (that's a sword, a shield, two spears and a helmet!)

Jolly Hockey Sticks: Year 5 and 6 Champions

The cups, trophies and medals just keep coming!

Many congratulations to the Hockey team, who won the 2021 Camden Quick Sticks Competition at Talacre. After winning the group stage, Richard Cobden triumphed against Torriano in the semi finals before winning 3-1 against Christchurch in the final.

Congratulations to Mr MacGibbon and Mr Norris for training such a talented team.
