

Year 5: Bikeability Course

Year 5 have received cycling training from The Department for Transport's 'Bikeability' team. The children learnt to cycle confidently and safely by completing the 2-week intensive level 1 and level 2 course on our sports pitch and on local roads.

Gymnastics at Richard Cobden

In PE, children in Years 1 to 6 have been taking part in gymnastics lessons.

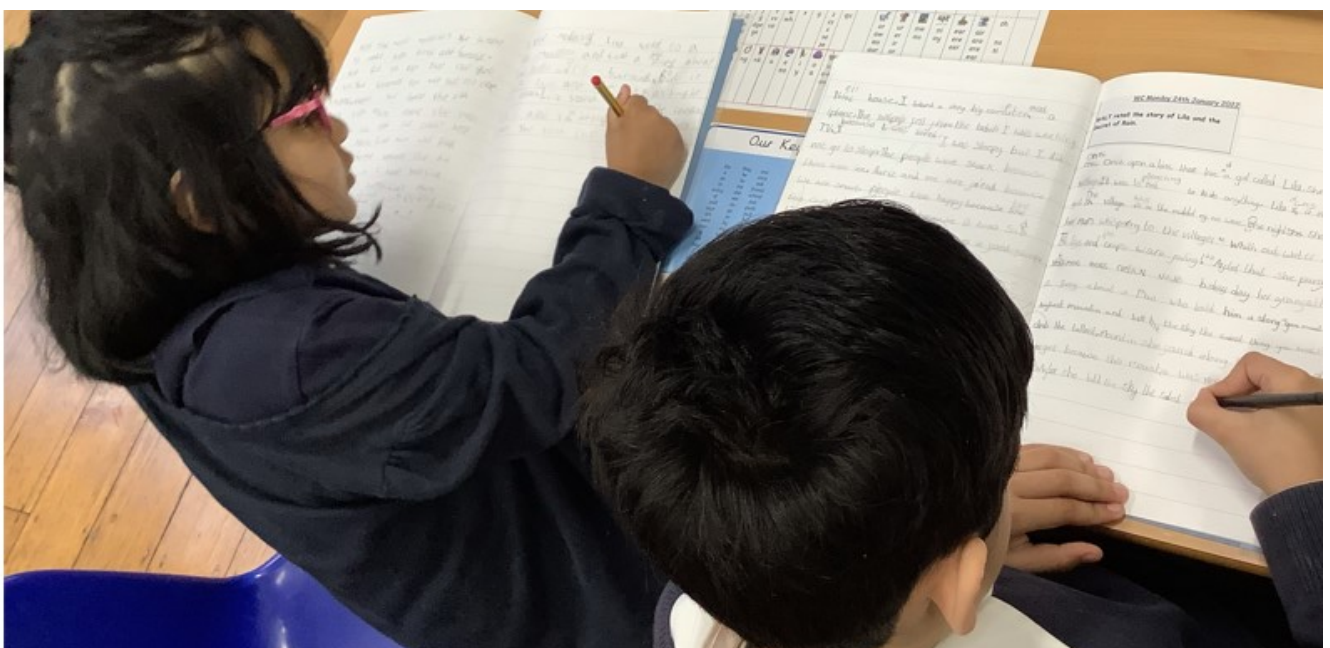

They have worked very hard during these lessons to develop their coordination and gross motor skills. They have been putting together some interesting sequences using balance, rolling, jumping and travelling and have demonstrated some very impressive rope climbing skills!

Year 2: Story Writing

Year 2 have enjoyed learning the story of 'Lila and the Secret of Rain'. The story tells the tale of a girl called Lila who lives in a Kenyan village that is desperate for rain.

The children did a wonderful job of retelling the story and did excellent independent editing to improve their work; checking for full stops and capital letters. They are so proud of their fantastic writing!

Year 4: Creating Circuits

Year 4 have been learning about the flow of electricity around a series circuit. They used three main components to discover what makes a circuit complete or incomplete, then explored what happens when they add 3 wires or 2 light bulbs.

Year 4:

Nature Trip

Both groups of Year 4 children visited Camley Street Natural Park. They learned how to spot wildlife and listen out for different types of bird-song.

On their walk, the groups collected interesting

fallen pieces of flora and made a piece of art.

We hope they have been inspired to visit again during the holidays!

Maths Stars

Pupils are showing great resilience in learning their number bonds, multiplication and division facts. These children have been successful in earning the following badges:

1 star: Adham Hussain, Ariana Rahman, Maidah Binte, Safa Samad, Amaiyah Tafader, Aasira Rahman

2 star: Jamil Miah, Safa Samad, Aariz Miah, Yahya Aden, Ibrahim Mohamud, Mohammed Bilal Ali, Musab Abdullahi, Raiyah Ahmed, Jannah Akther Ahmed

Well Done !
