

Richard Cobden Visit to The Cavendish School

Years 2 and 5 were invited to The Cavendish School to enjoy 'Energy LIVE!', an exciting audience-led show run by the Royal Institution.

Expert scientists from the Royal Institution devised this interactive, hands-on

show to help the children understand more about the different ways energy is stored, how it is released and how it is used in our lives.

Tight safety regulations were followed throughout the show and the children loved every minute and learnt so much.

A huge thank you goes to The Cavendish School for inviting us along!

Year 4 Football Tournament

Richard Cobden's girls and boys Year 4 football teams played in their first Camden tournament at Parliament Hill Fields. Well done to all the players for their outstanding efforts!
