

Year 5: An Enlightening Trip to the Google Offices

Year 5 went on a trip to take a tour around the Google offices. Fiona, their guide, along with other employees of Google gave a presentation on the company. Year 5 learnt that there are many ways to work for the company and the employees of the company come from many different backgrounds. Afterwards, they went up to the top floor to see the rooftop and the cafe. From the roof, they had a view of the new Google office which is currently being built. The new building will have a swimming pool inside! They visited the canteen and learnt that all Google employees are entitled to free food and there is even a free gym. Google like to keep their employees happy and healthy while working at the company. At the end of the trip the pupils were treated to some free gifts. With so much new information, the children wrote a recount of the events and experiences.

Year 3 Dodgeball Superstars

Children from Year 3 took part in a dodgeball competition at Talacre Sports Centre. They played in mixed teams alongside pupils from other Camden schools and had great fun along the way.
