

Electricity—Building Circuits

In their Science topic this term, Year 4 have been learning about electricity and circuits.

They have explored what equipment is needed to make a complete circuit. To develop further understanding, they added switches, demonstrating how safety devices are used to keep us safe when using electricity at home.

Target Sports Competition

Children from Years 4, 5 and 6 attended a target sports competition at Talacre Sports Centre. This event helps to develop confidence, independence, participation and enjoyment of sport. They played basketball, boccia, skittles and curling. They also took part in javelin and bean bag throwing competitions.

A great time was had by all.

Year 3 at The Cavendish School

This week, Year 3 visited The Cavendish School for a puppet show on the theme of anti-bullying. They watched the puppets Millie and Phillip overcome bullying and learned what to do if they see this occurring or experience it.

Certificates of Achievement

Well done to our most recent certificate winners who were nominated for achieving well in their learning or behaviour. These children will be presented with their certificates in assembly:

Nursery: Ubaidullah, Khalil, Zain and Maysa
