Year 3 Geography Field Trip

Year 3's topic in geography this term is 'Are all settlements the same?'

The children mapped a route they intended to follow. Next, they conducted some fieldwork by following their route. The children walked through St Pancras Gardens, over Somers Town Bridge and through Granary Square to Coal Drops Yard before making their way back to school again.

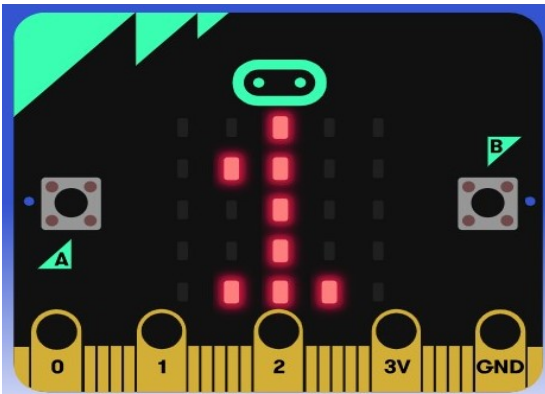

Along the way, the children stopped to learn some history about the area and to observe human and physical features.

Year 3 had a lot of fun exploring their local area!

Code Club Takes Off!

Code club has officially landed! The children began by deciphering the language of computer input and output.

They are using micro:bits, which are the size of a calculator, to bring two epic games to life - Egg and Snake. The club is on course for exciting times!

Camden Basketball Champions

The boys' and girls' basketball A-teams both won trophies at the Talacre Sports Centre this week. The boys finished as runners - up in the cup and the girls won the plate competition. Following on from this success in the first tournament, 16 more children took part in a second event. The boys' team and the girls' team both won their competitions.

Congratulations to all of the players for their hard work in PE lessons, training and during the tournaments.
